

Order of Royal & Select Masters District Grand Council of West Yorkshire

Are you an inquisitive Royal Arch and Mark Mason?

Have you ever wondered how The Secret Vault got there?

Want to find out what happened leading-up to the dramatic end to your Third Degree?

The Order of Royal & Select Masters is known as the Cryptic Order. The ceremonies complete the Solomonic legend as they prove the essential link between the Degrees of Mark Mason, the Raising in Craft, and The Royal Arch.

Getting involved in a Council of Royal and Select Master Masons provides a great experience for a Master Mason to expand his horizons and learn more about the Freemasonry in general.

Are you ready to continue your Masonic journey by joining a Council? If so visit the District Website www.rsmwyorks.com for more information.
